(Digitally writing your full name will suffice as a signature)

Terms and Conditions

All vendors must abide by all directions and requirements given by the organisers. Vendors must also conduct themselves in a professional and business-like manner to all. **TJK Events reserves the right to refuse any vendor to attend any TJK Events, this includes returning to any TJK Events if these terms and conditions are broken.** Vendors can also be refused to attend or return to any TJK Events If any Government, Local Government, Local Authority and Statutory Bodies are not complied with.

All vendors must be set up a minimum of 30 minutes prior to the event starting. No vendor is allowed to pack up before the end of the event time unless speaking to an organiser first. When the event is held during winter trading is still the time stated for the event unless organisers have communicated to all vendors that early pack up is allowed. Vendors must keep their area clean and staffed at all times throughout the event.

Allotment of space by the vendor will follow the acceptance of the stall holder application. **No bookings will be confirmed until all documents are received in full and approved by the organisers.** Details of the vendors menu or **items for sale must be given to the organisers prior to payment through the TJK Events website and is subject to their approval.** This will limit having multiple vendors selling the same items. If a vendor is found selling items that have not been approved prior to the event, they will be asked to remove them from being sold for the entire event.

There is no power or water available at any event space. All vendors must supply their own generators if wanting power. This will need to be supplied by all vendors for use at their stall. **All power supplies must be marked clearly on your application (Food vans are exempted from this).** **All power supplies must be clearly barricaded during the event for health and safety of the community.**

All payment must be made by the due date stated on each invoice. No vendor is allowed to trade if payment has not been made by the due date. The contractual price (unless otherwise stated by the organisers does not include insurance, tables, chairs, trestles, electricity, or water).

TJK Events organisers may at their sole discretion cancel any event due to extreme weather conditions, including bushfires or any circumstanced deem to affect the safety of the community. **If a TJK Event is cancelled within 3 days prior to the event, 50% of the vendors fee will be held for part payment towards a future event being held at the same location. If a TJK Event is disbanded after setup has already occurred, including gates opening for vendors prior to community attendance, also due to extreme weather conditions, including bushfires or any other unforeseen circumstance then the fees for said event are non-refundable.**

If a vendor cancels their booking no less than 30 days prior to the event date, then a full refund will be issued in the form of a credit for the same location in the future. **If any vendor tries to cancel for any reason including COVID-19 related reasons within less than 30 days prior to the event date, then no refund will be issued, including in the form of a credit.** If a vendor has any outstanding payments on invoices, within less than 30 days of the date of the event this could affect the continuing of future trading with TJK Events. If a vendor chooses not to cancel but does not show for the event, then this could result in the vendor being refused return attendance for future TJK Events.

If an event is cancelled on the same day of the event due to COVID-19 lockdown restrictions issued by the WA government, then no refund or credit will be given. If future events are cancelled due to lockdown, then a 50% refund will be given in a form of a credit. If the WA government issues restrictions, then it is at TJK Events discretion, if a refund will be given or not in a form of a credit.

Health and Safety

All vendors are responsible for the health and safety of the public within their allocated area, including the health and safety of all products and services sold by the vendor.

All vendors are responsible for ensuring all shelters, tables and chairs, display boards etc. are adequately secured and comply with all health and safety regulations of TJK Events and local council (including all straps, ropes and other objects presenting no tripping hazard).

TJK Events will supply tables, chairs and rubbish bins. TJK Events will maintain the cleanliness of the equipment they have supplied. Vendors are welcome to bring their tables, chairs and rubbish bin but must keep these monitored throughout the event to a standard of cleanliness abiding by the local health and safety regulations.

All vendors must keep all walkways and areas for the public clean and clear. If vendors see a health and safety breach, they need to report it immediately to an employee of TJK Events.
